Semester/Year _____
Pasadena Area Community College District

Self Evaluation – Full Time Faculty

Name_____Date_____

Division_____

1. Please reflect and comment on what you have done in terms of your professional responsibilities in your major assignment(s), including activities in your department, division, and the college and wider community.

2. Discuss your perception of your role as a faculty member. If you have been previously evaluated, has it changed/developed since your last evaluation?

3. What experiences and achievements have you had recently that have informed your role as a faculty member at PCC? This could include conference attendance, in-service education, continuing education, private study and/or travel, etc.

4. How does the success and retention data of students in your courses affect what you do in the classroom? Have you changed any strategies in order to improve/maintain success and/or retention?

5. Are SLOs on your course syllabi? How are you assessing SLOs and using the results to improve instruction?

6. After taking time to reflect, what more could you do to provide students with a successful learning experience?

7. What can the College do to support you in your professional goals and professional development?
