SUCCESS CENTERS

Need help? We're here to assist virtually or in-person. We have tutors, technology, course materials, and many more resources available.

For a full list of support centers, scan the QR code below:

FIRST YEAR EXPERIENCE (FYE) CENTER (V100)

PCC's First Year Experience (FYE) is designed to help new-to-college students, former dual enrollment students, and students with fewer than 20 college credits transition smoothly to college and succeed academically. Services include: counselor and success coach support, Comprehensive Student Education Plans (CSEP), new student IDs, and workshops and events.

LANCER CARE CENTER

The Lancer Care Center is your centralized hub of services and resources to meet your basic needs. Housing, food resources, emergency fundings, peer mentoring and more — we're here to support your personal well-being and encourage your academic success!

PERSONAL COUNSELING

Transitions are hard for everyone. If you or someone you know is struggling, contact Personal Counseling. It's free, confidential, and can help you with tools to make it through academic and life challenges. Scan the QR code below for more information:

FREE U-PASS

PCC students enrolled in at least one (1) unit in Spring 2023 (credit and non-credit) are eligible to receive a FREE U-PASS for Spring 2023.

Passes are available at Student Business Services (Colorado Campus) until January 27, 2023. Scan the QR code below for more information.
