GENERAL INFORMATION

1. To transfer to the CSU system at the junior level, it is necessary to have at least 60 CSU transferable units with a minimum 2.0 GPA; minimum general education requirements usually comprise approximately 39 of those units. Major requirements and/or electives complete the remainder of the 60 units. A maximum of 70 CSU transferable units are accepted by any CSU. Consult Counseling Services for more information.

2. A single course may not meet more than one Area A through E requirement. (American Institutions courses may be applied to Areas C or D.)

3. Please consult Counseling Services or a specific CSU catalog for any additional requirements.

4. Students expecting to request general education certification should complete 39 units distributed among categories A through E as noted with no less than 30 units for areas A through D. Areas A and B4 must be fully completed with minimum grades of C.

5. Students whose majors require more than 30 units should consult Counseling Services regarding the advisability of completing all major requirements instead of all general education requirements.

6. For additional information consult www.assist.org.
