Financial Aid Implications: We recommend students submit this graduation check request/graduation petition for their last term at PCC (example: Spring is your last term, submit for Spring Graduation). If this is not your last term and you have less than 90 attempted units (including W/F/D/NP grades), filing for graduation may cut your financial aid only at PCC (not at the university). For more information, see a counselor first before signing below.
2. By signing below you are:
- Signing a graduation petition if your results verify that you have completed or are pending final requirements this term. If you do not qualify, we will email you a checklist of missing requirements to your LancerMail at PCC or you may be asked to come pickup your checklist.
- Responsible for submitting all official records (AP, Transcripts, Service Papers, Certificates, etc.) to Admission in L building.
- Giving permission to use your official name on record to be published on honors and graduation lists.
