PCC Honors Program Grade Report Form

Instructions: If you are interested in applying to the Honors Program before your final grades for the current semester have been submitted by your professors, you may use this form to do so. Doing so may allow you to join the Honors Program before registration for the next semester begins, giving you access to Honors courses. If your current PCC GPA is above 3.2 but you have not yet completed ESL 33B or English 100, it is only necessary to have your English or ESL teacher sign off on your current grade. If you need your current course grades in order to meet the GPA requirement, you must have all of the professors for your current classes sign the form. Your professors should fill out the form (including your current grade) and sign. **You may only submit this form after the eighth week of the semester.** Once the form is complete it should be returned to the Honors Office (IT209A) or to the Honors Program mailbox in the IT building. Please contact the Honors office (honors@pasadena.edu) if you have any questions.

Student name _____

PCC Student ID # _____

The student above is applying to the PCC Honors program. The Honors program requires that a student have a 3.2 GPA or above *and* be English 1a ready. In order to process the application in time for the student to enroll in Spring classes, we need to know current grades. To the best of your ability, please estimate the students' current grade in your class, indicating "+" or "-" if these apply (for example, "B+"). Please contact Derek Milne, Honors Program Coordinator at honors@pasadena.edu if you have any questions.
