DAVID R.	<ul style="list-style-type: none"> <input type="checkbox"/> The Board of Trustees last Wednesday approved all of the important items I mentioned last week (Calendar for 2021-22, Budget, Resolution denouncing violence in the Caucuses region, and faculty association agreement with the district). <input type="checkbox"/> Also met with some of the trustees to discuss the success of the school's non-credit division and it was determined that the school needs to attempt to collect the data about whether students are actually getting jobs or not because we don't have that data at the moment. Later one, we'd be able to set goals to achieve, especially goals that are 	<ul style="list-style-type: none"> <input type="checkbox"/> Attended the Board of Trustees Facilities Committee where the Technology Master Plan was discussed, a lot of the processes involved in making it were mentioned, including taking a look at the financial states of every community within the district and how that impacts our students. I brought up that most of our students are out of district and we need to be taking into account communities outside of our district as well if we actually want to address barriers faced by most of our students.
