Subject: Board of Trustees meeting report, March 1, 2017
Attachments: Academic Senate Resolution.docx

Hello:

In an effort to help the campus community stay informed about actions taken during governance meetings, I'm pleased to share a report from last night's Board of Trustees meeting.

- As part of its approval of a list of contracts, the board heard information about the college's U-Pass program, the partnership with the LA County Metropolitan Transit Administration that provides reduced-fare transit passes to students. Various trustees voiced concerns about the costs of the program to the college and to students, and expressed interest in providing students a low-cost means of transportation.
- In approving the retirement this fiscal year of Child Development Center Director Nikki Harmon, Trustee John Martin spoke of her "tremendous career," thanking her for "being a leader during the creation of the CDC and everything she's done since then." Later, Management Association President Joe Futtner echoed these remarks and paid tribute to English Dean Amy Ulmer, who is also retiring this year.
- A series of additions and deletions were made to the credit curriculum, bringing greater alignment in the course numbering system. The college will continue to make procedural corrections to curriculum over the coming months to align the catalogue with financial aid data, gainful employment information, and the state inventory.
- Procedural votes were taken to continue the negotiation process with the California School Employees Association Chapter 777, which represents PCC's maintenance personnel.
- The board approved a nomination of an undisclosed PCC employee to the Chancellor's Office "Classified Employee of the Year" program.
- Academic Senate President Valerie Foster read a resolution the Senate passed in its Monday meeting regarding the provision of a safe learning environment for students regardless of race, gender identity, nationality or immigration status (attached). Dr. Foster encouraged the board to consider a similar resolution at a future meeting.
- The July 19 meeting was moved back a week, to July 26.
- The meeting was adjourned in honor of Shirley Burt, a longtime friend of the college who served the PCC Foundation, Measure P Committee, and other community groups who passed away earlier this month. Foundation Executive Director Bobbi Abram spoke movingly about Burt's mentorship and friendship.

If you'd like to know more, you can access [the full board packet](#) (click "Mar 1, 2017" under the "Meetings" tab) and [video](#) from last night's meeting online.

The next board business meeting is scheduled for Wednesday, March 22, at 6 p.m.

Thank you,
 Alex Boekelheide

WHEREAS: Each semester PCC serves over 30,000 students, including international students from over 90 different countries.

WHEREAS: PCC is a minority-serving institution that provides educational resources and resources to potentially impacted marginalized populations. Over 85% of our students are racial/ethnic minorities. 25% of our student body represents 89 countries and speaks 26 languages, indicating a culturally diverse student population.

² "Pasadena, already a 'sanctuary city,' might increase protections for immigrants," Pasadena Star-News, Dec. 2, 2016

WHEREAS: Our students are expressing heightened fear and worry for themselves, and their friends, families, and communities, and we are entering a period of chance and uncertainty in which the specific details of the impacts our communities is not yet clear only adds to the anxiety that our students are experiencing.

- The Academic Senate resolves that any request by immigration agents for information regarding a student shall be initially denied and immediately forwarded to the President and General Counsel, who will review the denial according to the following guidelines. In keeping with the individual's right to privacy, no part of a student's education record,

C. PRESIDENT'S REPORT

Dr. Vurdien was excited to announce that Pasadena City College is no longer on Accreditation probation.

Dr. Vurdien reported that the college has applied for a grant that advocates for the use of open educational sources for students, this would mean books would be online and free. The college has also applied for another grant that improves college affordability with the "Z Degree", the nation's first zero-textbook-cost associate degree program that uses only open educational resources.

Dr. Vurdien reported since President Trump's executive order, nine PCC students were affected by it. Thankfully, they will be able to enter the country.

The Promise Scholarship will be announced sometime in March. The cost for this scholarship is \$260K for one year, \$130K a semester. The college set the eligibility criteria in order to qualify for this scholarship. About 250-275 students will benefit from this program.

This program is going to be an encouragement and an incentive to students and will be a great way to begin the campaign.

D. TRUSTEE LIAISON REPORT

Mr. Hoyt Hilsman was delighted by the news from Accreditation. He applauded everyone for their hard work.

He mentioned the U building funding is moving along in the Chancellor's office.

Associated Students have been really active responding to students concerns about President Trump's executive order; they are trying to put students to ease.

Mr. Hilsman mentioned an interesting study that compared cost of attending a community college to UC schools – the community college students pay more than UC schools. He enunciated the importance to help the students with college costs.

Mr. Hilsman noted that the local Trustee elections will now be done along with the primary elections in June instead of December.

E. DISCUSSION ITEMS WITH POSSIBLE ACTION

1. Approval of Minutes from October 18, 2016 meeting

MOTION: ON MOTION OF Ms. Pitzer and seconded by Mr. Schweitzer, the Executive Committee voted by a unanimous vote (Sarni, Hawkins, Schweitzer, Mejia, Pitzer, Schield, Scott, Wade, and Vurdien) of the nine members present to approve the minutes of the Executive Committee Meeting held on November 9, 2016.

2. Approval of Expenditures

MOTION: ON MOTION OF Mr. Hawkins and seconded by Mr. Schield, the Executive Committee voted by a unanimous vote (Sarni, Hawkins, Schweitzer, Mejia, Pitzer, Schield, Scott, Wade, and Vurdien) of the nine members present to approve the expenditures.

Ms. Abram noted that on pg. 6 one of the accounts says it's an agency donation – that is incorrect. It should say agency expense.

F. REPORTS AND PROJECTS

1. PCC Foundation President's Report –

Mr. Sarni mentioned that there is a steering committee for the campaign and the leader of the campaign is the notable Dr. Jack Scott. The Foundation is absolutely delighted that Dr. Scott is on board.

Mr. Sarni noted that he is working with Ms. Abram to start the process of putting together a risk management committee. This committee will be focusing on what risks the Foundation faces such as insurance, regulatory and reputational risks.

2. Finance and Investment –

Ms. Abram reported that the Foundation budget has a very aggressive campaign appeal of \$175,000 to balance expenses with revenues, some of the expenses of the campaign can wait until next fiscal year.

3. Board Development –

Ms. Mejia mentioned a Board Development Committee meeting and discussed how to develop the criteria for Board member cultivation and membership and maintain the pipeline. She also recommended to plan a cultivation event to introduce new Board members and prospective Board members to the current Board and Advisors.

She also mentioned that a process needs to be created so that current board members can recommend/nominate at least two people into the “pipeline” for consideration on the Board and/or a Foundation committee.

4. Executive Director's Report –

Ms. Abram reported that she attended the state legislative conference. The college brought four students and she noted that the students spoke so well and were well received by the elected officials. Ms. Abram expressed how our students are the college's best ambassadors.

Ms. Abram led the college to apply for the Promise Innovation Grant – the award amount would be \$750,000 which if PCC gets it, the money will go towards scholarships. They should hear back sometime in March.

The EDD Audit has begun some assessments and the Foundation is waiting to hear back for an appointment date.

The recruitment for the campaign has started and the next step is engaging gifts from the Board members. Dr. Scott will be the face and voice of the campaign.

Mr. Fuhrman made a comment that a Lancers for Life Academy student should be a liaison on the Executive Committee.

G. MOTION TO ADJOURN

There was a motion to adjourn the meeting at 5:09 pm.

MOTION: ON MOTION OF Ms. Pitzer and seconded by Mr. Schield, the Executive Committee voted by a unanimous vote (Sarni, Hawkins, Schweitzer, Mejia, Pitzer, Schield, Scott, Wade, and Vurdien) of the nine members present to adjourn the February 8, 2017 Executive Committee Meeting.

The Pasadena City College Foundation Board of Directors is committed to maintaining a highly qualified and diverse board that would represent the Pasadena Area Community College District. The following criteria will assist current board members in identifying and recruiting possible candidates:

1. A review of the current make-up of the board is important to determine if there are any needs in maintaining the diverse needs of the board including: profession, geographic location to determine adequate representation from each of the PACCD districts, community college alumni (especially PCC alumni).
2. The candidate must be philanthropically inclined.
3. The candidate does not necessarily have to be an alumnus of Pasadena City College, but must have a commitment to community colleges, in general.
4. The candidate must be able to devote adequate time to this commitment, knowing that the PCC Foundation board is a working board.
5. The candidate must be able to make a contribution equal or surpassing the current expectation set by the board. (Currently, set at unrestricted donation of \$1,000 or more annually.)
6. The candidate must have experience serving on other boards of directors.
