Professional Growth Credit(s) Log

The Academic Rank Committee considers a minimum of fifteen (15) total professional growth credits (PGCs) earned since the last change in rank to be satisfactory evidence of professional growth. "Growth credits" are defined by and may be selected from the following list, singly or in combination, to total fifteen. It is possible that, in certain cases, fewer than fifteen growth credits may still satisfy the Committee that the requirement has been met.

College/University Course(s)
