CALL TO ORDER
PLEDGE OF ALLEGIANCE led by Ahni Dodge
APPROVAL OF MINUTES for April 25, 2016 were approved as submitted.
PUBLIC COMMENT: None

SENATE COMMITTEE REPORTS

Committee On Committees: Jay Cho
Academic Senate Website: The Senate can currently post its meeting dates and minutes. A request has been made to remove all committee listings pending information updates regarding current committee chairs and members, meeting dates, and relevant committee documents. There will be a link to the former archived committee information.

The Senate President will send out a faculty email regarding Senate and Senate Committee membership openings.

CONSTITUENCY REPORTS

PCCFA: Mark Whitworth: gave details of a faculty email about ratification of the new “tentative agreement”. This agreement would include a raise across the board on all schedules of 2% for full-time and 3% for adjuncts. The District would continue to pick up the full cost of benefits. The only change is a change in price for prescription drugs (from $5 to $10). An additional dental plan (Met Life) has been negotiated for those in need of dental implants or orthodontia. Changing to a different vision plan where coverage for exams and new frames will be available every year instead of every two years. Information Meeting scheduled Thursday, September 1, 12:00pm in C361. Negotiations for 2017 will begin soon.

Adjunct Faculty Report: M. Dodge:
Due to a time conflict, Nicholas Hatch will be unable to serve as the chair of the adjunct committee.

Classified Senate: No report.
Associated Students: Welcome and introduction of Kelly Banh
Administration/Management Association: No report.
G. ACADEMIC SENATE OFFICERS REPORTS

1. President’s Report: President V. Foster
   In the spring an amendment to Bylaws Article 3.1 was made to formalize the five adjunct-at-large positions on the Senate Board.
   Faculty Ballot Count: Accepted with a majority vote from voting full-time faculty
   - 136 Ballots received (7 of them were unmarked)
   - 129 Valid Ballots: 99 Accept 30: Reject

   Faculty Hiring Process: 50 New Faculty Hires
   Because of an administrative miscalculation in the school’s FFON administrative announced that, to honor the current process, it would hire eleven additional faculty. Five additional permanent full-time faculty were hired which includes one permanent English, two permanent Math, two permanent Psychology, and six temporary full-time (one Math, one Chemistry, one Biology and two business (one in business math and one in business law). The latter two were in response to medical issues.

   Campus-Wide Hiring Committee Process: Last year a process was approved where each division was asked for 3-5 faculty willing to serve on campus-wide hiring committees. President Foster had difficulty in getting ahold of people. Another email will be sent out reminding divisions that they need to send her names of prospective committee volunteers. If names are not submitted, Senators may be asked to serve. Volunteer diversity is needed.

2. Vice President: Shelagh Rose: No Report

4. Treasure’s Report: Jay Cho: As of July 1st – have a combined total of approximately $1800 (after transferring $3,750 to the Keith Miller Scholarship Foundation account).

H. EXECUTIVE COMMITTEE RECOMMENDATIONS (special cases)

1. Approve Michael McClellan (Counseling) to the Equivalency Committee.
   
   MOTION made and seconded by Mark Dodge and Donna Nordstrom approving Recommendation 1. Discussion:
   President Foster: Described the committee’s review, interview and approval process. The committee currently has four members. This committee is an HR committee run by Lori Cortez. Lori does have additional “go tos” for flexibility because it is often difficult to have the committee members be available for various review deadlines.
   E.A.Cairó: Expressed concern for needing division representation from the areas requesting equivalency reviews.

   MOTION TO EXTEND by five minutes made and seconded by Mark Dodge and R. DiFiori: VOTE: Approved unanimously.
   
   VOTE on MOTION: Unanimously approved.

I. EXECUTIVE COMMITTEE RECOMMENDATIONS (Shared Governance)

1. Approve Sonya Valentine (Natural Sciences) to be co-chair of the Institutional Effectiveness Committee. (Marjorie Smith has resigned)

3. Approve Jason Huh as the Business and Computer Technology representative and Michelle Lee as alternate to the Curriculum and Instruction Committee.

K. OLD BUSINESS (With possible actions to follow each item)

1. Discussion of faculty selection for the 360˚ manager evaluation process. Valerie foster

Manager selection process for manager evaluations.

President Foster read procedure AP 7150 sent to her by HR. Managers whose last name is A-I will be evaluated this year. Evaluations are due in HR August 2017. The Senate President is to send HR by November 15 with the names of 10 faculty who will participate in this holistic process if their dean/manager (instructional – academic and classified managers) is the one being evaluated. There is currently no process on doing this. President Foster will double-check on faculty requirements.

The process has been approved in AP 7150.

Discussion:

S. Fleming suggested the use of a randomized (Excel) list to shuffle faculty names and take top 10 from each division for HR or let each division decide.

Evaluation volunteers could be chosen by using the same process for choosing Academic Senators.

President Foster will check with HR on following:

- Can adjunct faculty volunteer?
- What tools are being used?

**MOTION to EXTEND** by 5 Minutes made and seconded by D. Cuatt and M. Michelson.

There is no minimum number of volunteers, just up to 10.

There be a length of service requirement for both full and part-time faculty.

Two section options:

- The Senate president would pull from a randomized selection list; or
- The divisions choose from an election process.

This item will be placed on the next Senate agenda.

2. Approve AP 4300 Fieldtrips and Excursions: Valerie Foster

The version approved in spring was not the official template that includes the legal language.

The changes

**MOTION** made and seconded by A. Dodge and R. DiFiori to approve.

Discussion:

Wording is more inclusive.

Vocational is part of the curriculum and could possibly fall under instructional.

The process is not changing.

**VOTE:** Approved by unanimous vote.
