G: OLD BUSINESS
1. Approve BP and AP 3540, 2nd read: Dr. Crystal Kollross

BP 3540: Change made to first paragraph.

MOTION made and seconded by T. Alvarado and K. Simon approving BP and AP 3540.
Resources are not listed in BPs and APs because they change and would become outdated.

AP 3540:
Item 3: Language change made in sentence 1.

Discussion:
C. Kollross said Dr. Blizinski previously stated wording about frivolous claims not be would be included. These types of claims are determined through HR evidence review and preliminary questioning. Such a claim could possibly be a negotiable item if this claim involved a union member.

VP Rose: This second read item has gone through the collegial consultation process.
Bob Blizinski may be contacted by email to answer questions.

“...part-time representative shall be elected appointed...”

4.5 Friendly Amendment made and seconded by L. Chaffee/S. Miranda, accepted by L. Hintzman to have one 4.5, for the second 4.5 to be renumbered 4.6 and to renumber the remaining articles.

4.6 Friendly amendment: change “six days” to “thirteen days”
VOTE on MOTION with Friendly Amendments: Aye: Majority Abstain: K. Pilon

G4. Discussion (with possible action): OER Sabbatical
Open Educational Resources (OER) Committee Presenters: Veronica Jaramillo, Walter Butler and Jennifer Fiebig

OER discussion on making OER material as part of the research track.
Sabbatical committee recommendation to create a 4th sabbatical category specifically for creation of OER resources. This would allow the committee to work in a supportive guidance and not a supervisory role.
FA President M. Whitworth said this work could be done without adding a special category. The workgroup could not negotiate.

VP Rose: Based on feedback from the OER Committee and Executive Committee discussion there was a consensus that a fourth category in the contract outlining sabbatical would be the most clear and most beneficial for faculty and would not put the onus of supervising research on the OER Committee who are not did not think faculty should supervise other faculty in a research capacity. A workgroup would develop the language for this and the Faculty Association would then be asked to negotiate the agreed-up language.

**MOTION** made and seconded by V. Jaramillo and M. Henes to put together a working group to look into making a fourth category for sabbatical OER material.
Discussion: A workgroup would develop clarification in language to avoid confusion, such as how materials creation differs from curriculum development.
**VOTE on MOTION:** Approved unanimously.

**H. NEW BUSINESS**

1. PCC AD-T Reciprocity Guidelines Draft, Sharis Amirian (Articulation Officer)

Handout: Draft 1: Associate Degree for Transfer (ADT) Reciprocity Guidelines
This is a draft internal policy that would establish procedures in place when students are trying to use credit from other colleges or even credit from PCC to earn certificates and Associate Degrees without the student having to worry about this process on their end—particularly when there is no C-ID for the course or the course is not offered at PCC. It is hoped this process will be set in place as soon as possible with more detail and standard procedures to follow.

**MOTION** made and seconded by M. Altounji and S. Miranda approving Agenda Item H1.
Discussion:
Approval would be helpful in getting students to get their degrees granted.
This process would set a good example of what we helping students reach their goals.
This matter will be voted on at the next meeting pending division input and review
**MOTION to TABLE** made and seconded by L. Hintzman and D. Christensen.
**VOTE on MOTION:** Approved unanimously.

2. Approve Bylaws Article 5

**MOTION** approving Bylaws Article 5 made and seconded by T. Melnarik and M. Henes.

5.1A All regular and adjunct faculty are eligible for committee appointments.

5.1B and C

The Academic Senate committee lists are “living lists”. Thus a change was made by the Bylaws Committee to make the lists in the bylaws representative in nature.
College Counsel is separate with separate guidelines.

**5.1 E Friendly Amendment** to replace the first few words in line three to read “...Standing and Operational Committees...” made and seconded by M. Henes and Tim Melnarik
5.2.B: Discussion
It not always may be possible for a chair to have two years’ previous participation.
Friendly Amendment: to add the word “Desirable” in front of Qualifications in the last sentence.
Made and seconded by L. Hintzman and T. Melnarik and accepted by M. Henes

5.2 C Discussion
Who is the Faculty Staff Development Officer Chairperson?
Jason Robinson is the Director of Professional Development Director. There is a Faculty co-chair of the Professional Development standing committee and the faculty chair of the Faculty Development Committee.
Friendly Amendment to delete 5.2C made and seconded by L. Hintzman and Tim Melnarik and accepted by M. Henes.
Discussion:
This wording is not correct but is it is probably for the Faculty Development Chair Person.
VP Rose: Would the Faculty Development Chair fall under the category of the current 5.2D where they are appointed by the Senate, much less every other committee or like C & I, should the Faculty Development Chair have an open selection process where people are encouraged to apply.
It is the role of the college to have open and transparent processes for selecting reassign positions.

Discussion:
There is reassignment for FLEX Coordinator, not for Faculty Development Chair.
The Chair of the Faculty Development committee in the past has taken on the jobs of co-chairing FLEX Advisory Committee and co-chairing the Professional Development standing committee.
VP Rose’s understanding is that with the responsibilities under the new FLEX Guidelines have been separated. The Faculty Development Chair does not have reassignment. The FLEX coordinator has reassignment and this position will be flown as a reassignment position that any faculty member can apply for.

5.2 D will become 5.2C, and so on with automatic formatting

5.2 D Could possibly impact the chair of the Faculty Adjunct Issues Committee.
Friendly Amendment to add the word “except the Adjunct Faculty Issues Committee” in the first sentence made and seconded by B. Constantine and T. Melnarik and accepted by M. Henes.

MOTION to extend discussion 10 minutes made and seconded by B. Wilbur and E. Fernandez
VOTE: Approved unanimously

Further discussion under 5.2C

5.2 E. Academic Senate Representatives on College-Wide Shared Governance and Hiring Committees.
This does not change bylaws of any other committees and it would be up to campus-wide committees to address their committee composition should they choose to include adjunct faculty in their membership.

5.2F Terms of Appointment and Removal
Friendly Amendment made and seconded by E. Fernandez and T. Melnarik to revise the last sentence to read “Failure to attend three consecutive meetings with no follow up shall be deemed... “
Friendly Amendment 2 to read “Failure to attend three consecutive meetings without communication with the committee chair person.” Accepted by E. Fernandez

Friendly Amendment Restated by E. Fernandez: “Failure to attend three consecutive meetings with no contact to the committee chair shall be deemed...”

Discussion X Leng suggested: “...meetings without prior communication to the committee chair”.  
M. Henes accepted wording for Friendly Amendment made by E. Fernandez

Discussion: In response to B. Constantine’s concern about full-time faculty accountability to sit on committees, VP Rose said this would need to be brought up with administration, as this is not under Academic Senate purview

VOTE on approving Article 5 with Friendly Amendments: Motion passed by majority vote.  
Abstain: M. Michelson

4. Approve Bylaws Article 6  
MOTION made and seconded by L. Hintzman and M. Altounji to pass Agenda Item H3.
