Approved by majority vote. S. Sims abstained.

DISCUSSION

Dr. Giugni provided the eight options shown below to start the discussion about the 2020-2021 academic calendar. The committee discussed the possibility of a survey for the campus for greater input on various possibilities for the length of winter intercession. In addition to the options presented in the handouts, the committee also discussed the option of eliminating winter. Various points that were discussed included the impact on summer offerings, breaks between terms (to allow for grade submission, breakdown and set-up of classrooms), and whether the length of term would allow for adequate time for various classes. More information is needed to compare the various options presented. It was recommended that committee members present the various options to their constituent groups and share their feedback at the April 25th meeting.
