Tuesday, October 24, 2017
12:00 PM – 1:00 PM; Library Terrace Room

AGENDA

I. Call to Order – 12:10 pm

II. Public Comment on Non-agenda Items

III. For Discussion and Consultation

1. Guest: Stephanie Fleming regarding Guided Pathways
 - Invited Stephanie to speak regarding Guided Pathways, which was brought up at the last meeting as a goal. At that time, there was not a strong understanding of Guided Pathways & role PD plays in it so invited guest for presentation
 - Guided pathways is infrastructure
 - Met w/Dr. Giugni & Leslie re PD component for guided pathways; believes PD committee needs to play bigger role to plan PD in regards to guided pathways
 - Coordinate with PD committee and other campus groups re broad PD for guided pathways
 - PD targeted to specific groups/needs
 - PD committee can inform what groups need in terms of PD for guided pathways; state providing a lot of funding over the next 5 years specifically for guided pathways PD
 - PD can help staff/faculty around campus understand their role in guided pathways
 - Guided pathways maps for every program on campus; not public yet, they need to be vetted; in process of having them reviewed by each department's faculty so they can review them.
 - If we take leadership role, how will we continue? Guided pathways still too vague for now; need more discussions to figure out exactly how PD Committee will play a role.
2. Finish Annual Updates
 - Continue reviewing Annual Update. We will finalize and approve electronically.
3. Revise AP
 - The AP will be e-mailed again to committee
4. Revised budget proposals
 - Send to committee chair electronically
