

Pasadena City College is an equity-minded learning community dedicated to enriching students' academic, personal, and professional lives through an array of degree and certificate programs, campus engagement, and customized student support.

**Strategic Planning Standing Committee
2019-2020 End-of-Year Summary**

**Chair(s):
Crystal Kollross
Matthew Henes**

The Strategic Planning Standing Committee (SPSC) met 9 times during the 2019-2020 academic year. The committee reviewed and revised the strategies developed for the Educational Master Plan (EMP). They also discussed the development of an enrollment management plan for the college. With the final version of the EMP ready for the shared governance process the committee turned to the development of a Vision statement for the college and the revision of the college's core values. Then there was a pandemic and the SPSC curtailed meetings for a while until late April. At that time the committee reviewed and approved the Annual Update structure using the new EMP as the foundation. The committee re-engaged in the discussion on a vision statement for the college and revision of the current core values.
