a. PCC Local Goals- Goal 5

- i. C. Kollross briefly reviewed the information provided at the last SSC meeting regarding local goal-setting. All goals are meant to be accomplished by 2021-2022. The SSC committee will be aligning their (5) equity goals with the local goals set for (1) completion. C. Kollross explained why and how the goals for completion were set by the Strategic Planning Committee.
- ii. The committee was provided with the local goals set in (1) completion for AA-AS-ADT degrees, certificates, and transfers to CSU's and UC's. In turn, raw numbers were provided to show what it would take for equity gaps to be closed for the traditionally disadvantaged groups.
- iii. The committee discussed goals they thought were ambitious, yet achievable, given the multiple factors the college does not have control over. The final goals set are as follows:
 - AA-AS-ADT: African-American students from 93 to 120, Latinx students from 1,434 to 1,617, students with disabilities from 137 to 197, and Pacific Islanders from 0 to 2
 - Transfers: African-American students from 50 to 70, Latinx students from 748 to 1,010, students with disabilities from 78 to 117, and American Indian/Alaska Native students from 0 to 1
 - Certificates: Pacific Islander from 0 to 1
