PASADENA CITY COLLEGE STRATEGIC PLAN 2025-2030

1 Exceptional Academic Programs and Delivery

- **A.** Adaptive and workforce-informed curriculum that produces equitable outcomes
- **B.** Responsive student-centered enrollment management
- **C.** Continuous learning support that is innovative, culturally responsive, effective, and accessible
- **D.** Liberatory education reflected in curriculum, services, programs, and activities

2 Equity-Minded Learning Community

- **A.** Establish and maintain an institutional culture of equity, inclusion, and justice
- **B.** Identify and eliminate systemic racism at all levels of the college
- **C.** Ensure a sense of belonging for every student
- **D.** Manage and distribute college resources equitably and transparently

3 Campus and Community Engagement and Environment

- **A.** Empower students to be active and responsible community members
- **B.** Strengthen PCC's connection with local communities through authentic engagement, coordinated outreach, and partnerships in times of growth and need, fostering trust, resilience, and shared success.
- **C.** Ensure all current and future college staffing aligns with college mission, vision, and values
- **D.** Excellence and innovation in services and business practices collegewide
- **E.** Use industry leading standards in sustainable, physical, and technological resources
- **F.** Transform college culture to include liberatory outcomes for every college stakeholder

4 Customized Student Support

- **A.** Guide each student through their successful completion pathway
- **B.** Support students academically, personally, and professionally
- **C.** Identify and remove all barriers to successful goal achievement
- **D.** Provide opportunities that will encourage student expression and leadership

VISION 2030

Equity in

1. **Access**
2. **Support**
3. **Success**
